### ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

It is our goal to continue the exterior renovations at Lake Superior Village (our family development) until all buildings are completed. For Pine Ridge we will make improvements to the front entrance to make it welcoming and will replace all 20 year old carpeting in corridors and common areas. Lack of adequate bike space has presented itself, we added a bike rack in 2006 but it appears we will need to add another.

Through our non-profit, we plan to create 130-1 50 new affordable housing family units and to acquire and renovate an historic structure into 75 two-bedroom units of affordable housing, all near downtown.

At the same time, our goal is to continue maintaining our 253 units of public housing and improving our reputation in the community.

### iii. Annual Plan Table of Contents

- X Request for shelter for smokers and bikes: We lack adequate funding. Request for cameras in our gated parking lot – in the past year we have had one incident, the parking lots are new and heavily lighted. We cannot justify the cost for a single incident. We have no problem providing additional handicap spaces when we need them. We already have more spaces than we need. However, one tenant refuses to park in the rear handicap spaces because his apartment is at the front of the building and he gets upset if all of the front parking lot spaces are taken. The rear handicap spaces are also close to the building and an elevator is available to transport the individual to their floor. There were open spaces in the rear when this resident got upset because the spot he usually parks in was taken. Air conditioner sleeves – we feel residents can use the stand-alone portable air conditioners as opposed to the expense and creation of another area for heat to escape to the outside. Replacing

<sup>\*</sup> In an attempt to reduce crime, keep kids away from illegal drugs & alcohol as well as tobacco, plus work toward self-sufficiency, the Lake Superior Village Youth & Family Center was created in 1994. The crime rate fell by 59% the first year it opened. We serve up to 65 kids per week. The programs we offer include homework help, computer lab, Jr/Sr Council and healthy snacks. The money is used for the above listed purposes. This \$25,000 serves as a cash match – the Center must raise another \$25,000 from outside sources in order to draw down on our \$25,000. Leveraging has increased donations and grants. Using Capitol Fund, we match dollar for dollar any donations/grants received, not to exceed \$25,000 per year.

Other needs, unfunded, include replacement of cabinets in family housing, replacement of flooring at both sites, replace closet doors at both sites, replace prime/install storm doors at family site, replace corridor windows at Pine Ridge, enhance security system at Pine Ridge, convert 5<sup>th</sup> floor lounge to laundry at Pine Ridge, replace tub drains at Pine Ridge, seal Pine Ridge exterior.
